Welcome to the Bad Ass Jazz Festival 2022!

We feel very lucky that you've chosen to explore with us!

In this booklet you'll find important information about the festival, yours and other people's safety, so please read it carefully!

MISSION

Our mission is to celebrate human expression, while honoring evolution, similarities and differences of a wide range of African-Diasporic dances. We want to create a space where various artistic and cultural perspectives interact and recreate missing links. We believe in the vision that Street & Club dances could share the same space today with Jazz, so therefore we're doing our first step in creating this space now.

CODE OF SAFETY & SUPPORT

We want all BAZZ participants to feel welcome and comfortable. Creating a safe space is each participants responsibility so we expect you to read carefully

- Please respect and acknowledge everyone, regardless of race, age, gender identity, sexual orientation & social class.
- Welcome and treat all the bodies the same. Appearance and body size are just a surface of a whole human being and those do not determine anyones value.
- Embrace and normalize anything that might feel unfamiliar to you, e.g women with body hair, LGBTQIA+ etc.
Acknowledge for yourself if you feel any discomfort while encountering what's unfamiliar to you and let other people be.
- As we want to create an environment of free self expression, we also ask you to welcome differences in dance skills, abilities and dance style.
- Avoid degrading speech or negative comparison about any of the previously mentioned traits.
- In cases of partner dancing, please make sure you have a clear consent of another person to dance with them. Make sure that you have a clear consent of another person before leading any dips and tricks. Keep in mind that some people aren't comfortable with those, and not all bodies are of the same agility and that you could hurt someone.
- We ask you respect other peoples "NO" for an answer, both on and outside the dance floor.
That way, we can build a stronger culture of consent together.

SUPPORT TEAM

Any disrespectful and dangerous behavior, sexual harrasment, racist, sexist or homophobic insults towards others will result in exclusion from the Bad Ass Jazz festival, without any compensation or refund. If you notice anything wrong during the event, please reach out to us.
